

Invitation

Discussion with Professor Jonathan Shaw, Deputy Director, Baker Heart and Diabetes Institute reviewing the 'Dark Heart of Diabetes' report'

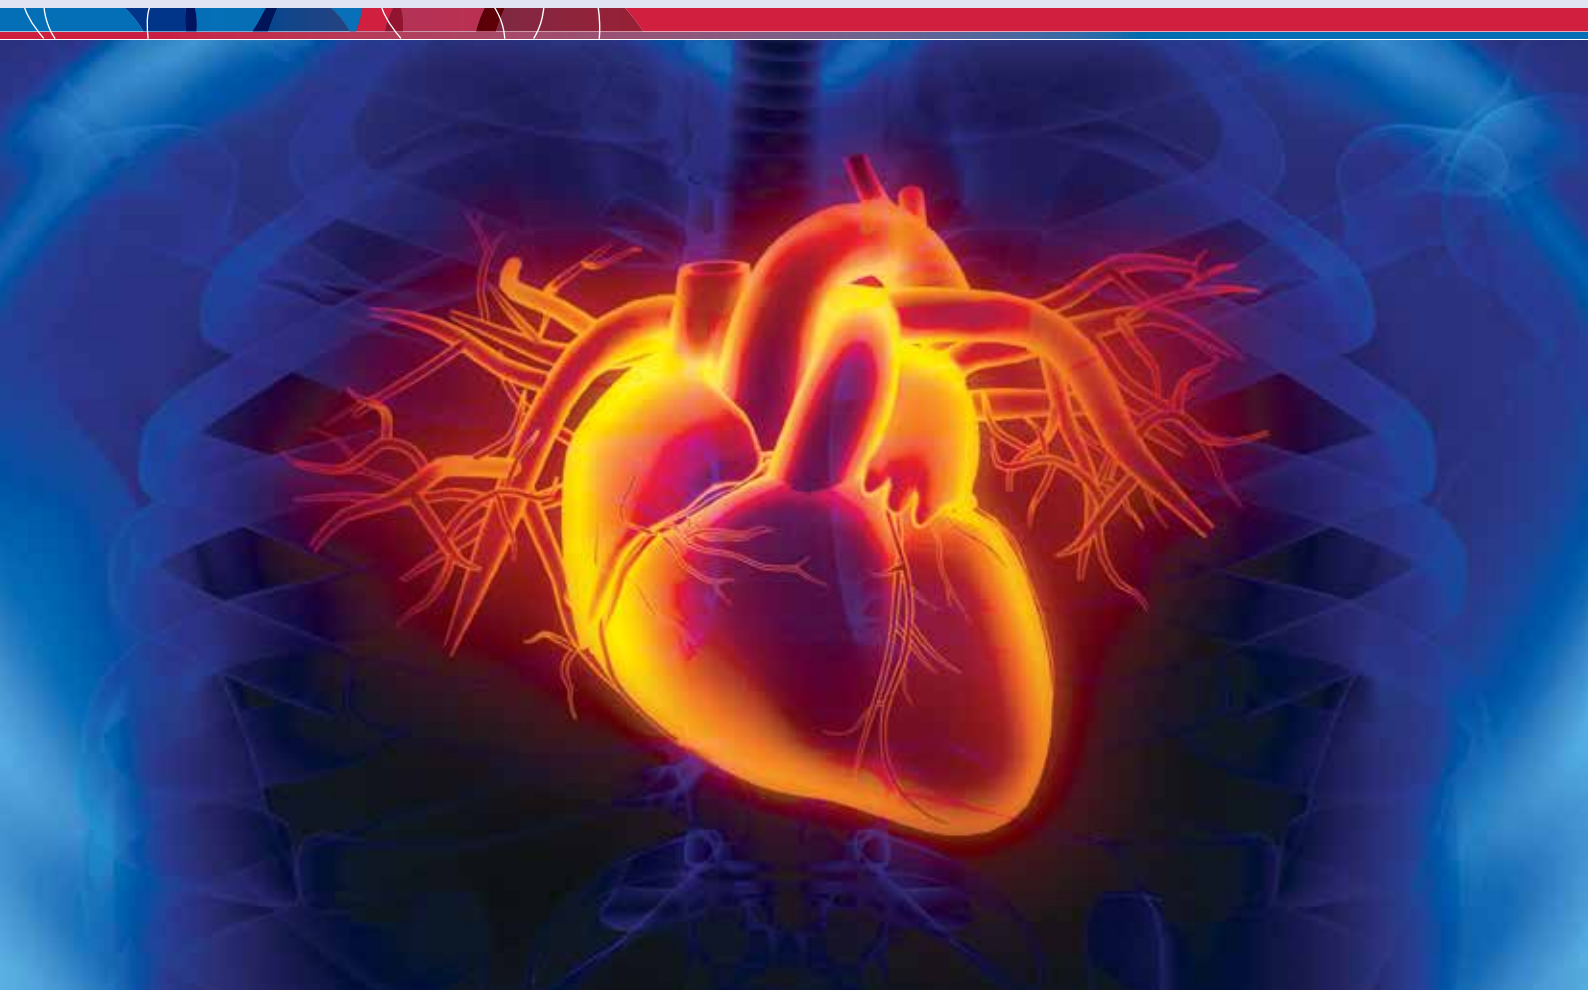

Professor Shaw will discuss the prevalence of T2D in Australia, the link between T2D and CV disease as well as assessment and screening tools for CV risk. He will review the evidence for interventions for both primary and secondary prevention of CVD. His presentation will be followed by a question and answer session facilitated by Dr Judith Watson.

Date: Monday 17 September, 2018

Time: 6.30pm for 6.45pm start
